 longer wires or chain are required  
 driver housed in canopy  
 qualified electrician necessary for installation

weight:

approx 6kg (13lbs)

every marea pendant is unique • it is crafted by the highly skilled incalmo technique where 2 separately blown glass bubbles are joined together at precisely the right moment for a perfect fit • each piece naturally evolves into its own individual form, approximating specified dimensions • when displaying several lights together there will be differences between pieces, in shape, size and colour density

## marea pendant small, high tide and low tide

hand blown murano glass in cool, natural or warm hues, suspended by patinated brass chain
